G.O. Rt. No. 576

Dated:10.06.2013

Read:-

From the Engineer-in-Chief (R&B) State Roads, Hyderabad, Lr. No. 32237/EE(2)/DEE.(6)/AEE.1/2013, Dt: 22.2.2013.

ORDER:-

In the letter read above, the ENC (R&B) SR, Hyderabad has stated that the Kuravi- Jangligonda road is an important MDR in Warangal Dist which connects the Revenue division of Mahabubabad with the mandal headquarters of Kuravi with Jangligonda there by connecting the State Highway of Rayapatnam-Kodad road in the mandal Headquarters of Narsimhulapeta through Jangligonda-Narsimhulapeta road. The total length of Kuravi-Jangligonda road is 14.00 Kms SL BT. The road is shortest route to reach district Head quarters of Khammam. The road also serves many interior tribal and agriculture potential villages to transport their agriculture product to the nearest market yards at Mahabubabad and Dornakal. Also, for improvement of social economic development of tribals it is necessary to widen the road. The Veerabhadraswamy temple at Kuravi is one of the big pilgrim centre. The pilgrims from all over the State visit the temple. Every year a jathara is held in Kuravi during Mahashivarathri festival for about three months and people from all over the State visit the temple during this period. All the roads passing through Kuravi Mandal headquarters were already made double lane. They travel upto Mahabubabad by train and by road from Mahabubabad to Kuravi via temple of Lord Venkateshwara at Anantharam village which is on the same road. There are number of granite quarries located in Mahabubabad, Kesamudram, Neckonda Mandals and heavy loaded vehicles transport granite material to granite industries in Khammam and Nalgonda Dist. The traffic intensity on this road is 5900 PCUs per day and it is necessary to widen this road to double lane in view of the traffic intensity and to avoid accidents. In view of the importance of Pilgrim centre at Kuravi it is proposed to widen the road to Double lane at least for a length of 4.00 Kms from Km 0/ 0to 4/0.

2) He has certified that the Stage-1 approval is not required as detailed investigation completed and designs are finalized. No land acquisition and shifting of utilities are required for taking up the subject work without interruption in the first two years.
